

# drape pendant

CE ENEC CB

The *drape* pendant is a minimal pendant consisting of a single lit sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. Choose from either a small, 11cm or a large, 18cm diameter sphere, both available in five glass colors. The spherical glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.
